CAREER CONTOUR

I am unwavering, meticulous, and highly competent in the **Banking & Financial Services Industry**. I have a consistent record of delivering results-driven work with a proven ability to implement my projects in an organised manner, spanning **7+ years** of my successful career.

My expertise:- **Banking & Financial Services Industry - Treasury Operations, Cash Management, Bank Reconciliation, Payment Processing, Financial Operations, Client Reporting, MIS Reporting, Process Improvement, Team Leadership, Workload Management, Stakeholder Management, Operational Excellence, Banking Operations, Treasury Workflow Management**. I have in-depth knowledge of all the ethics of management. I possess effective communication skills and am a team player with strong organisational, Logical, and Problem-Solving Abilities.

I have extensive experience working with large-scale organisations, such as **SS&C FinTech**. I am well-versed in skills including analysis, problem-solving, and coordination, which have contributed to my success and dedication. Strong influencing and negotiation skills coupled with a proven ability to think in and out of the box, generating new solutions.

I have commenced my profession as an **Executive** and risen myself as **Consultant** in a reputable company. I would like to see myself growing with the passing years of hard work and dedication. I have been awarded many accolades for my result-oriented hard work.

Armed with a multitude of competencies and work experiences, I am confident to carry forward any organisation's vision & objectives with sufficient ease and dedication to my job responsibility.

EXPERIENCE

Apr 2022 – Present | SS&C FinTech | Team Lead | Pune

Responsibility:-

- Leading treasury operations and cash management activities for global financial clients.
- Managing day-to-day team operations and allocating workloads through AWD queues to ensure timely task completion.
- Monitoring treasury maintenance activities and preparing MIS reports for inflows and outflows of trustee funds.
- Driving continuous process improvement initiatives to enhance operational efficiency and strengthen internal controls.
- Coordinating with UK counterparts for daily operational activities, issue resolution, and process alignment.
- Ensuring compliance with operational guidelines while minimizing process risks and rule breaches.
- Monitoring team productivity, workload balancing, and service delivery performance.
- Supporting reconciliation activities and ensuring timely completion of treasury transactions.
- Preparing operational reports and management dashboards for business reviews.
- Mentoring team members and providing guidance to improve process quality and operational efficiency.

Responsibility:-

- Performed daily reconciliation of distribution transactions across multiple currencies.
- Investigated reconciliation breaks and coordinated timely issue resolution.
- Prepared weekly and monthly client reports highlighting operational status and reconciliation updates.
- Investigated discrepancies in outgoing payments and worked with internal teams for resolution.
- Supported treasury operations through accurate reconciliation and financial reporting.
- Maintained transaction accuracy while ensuring compliance with operational procedures.
- Coordinated with stakeholders to resolve operational issues and improve reporting efficiency.
- Assisted in maintaining process documentation and operational controls.

ACHIEVEMENTS

- Successfully led treasury operations while driving continuous process improvement initiatives.
- Improved operational efficiency through optimized workload allocation and streamlined treasury workflows.
- Strengthened reporting accuracy by preparing detailed MIS reports for cash inflows and outflows.
- Effectively collaborated with UK counterparts to ensure seamless day-to-day operational support.
- Demonstrated strong leadership in managing team productivity, operational controls, and service delivery.
